Salut David,

Je ne suis pas facilement joignable, et dans une situation un peu délicate.

Pour la communauté GD, je crois qu'il va falloir vous faire un raisin :

on ne va pas régler ça en silence, et il est beaucoup trop tard pour régler ça au CNESER (il s'en faut de 3 ans et demi, maintenant).

Nicolas Fasset est dans une situation délicate (ainsi qu'Annick), car ils ont participé à plusieurs décisions, selon moi contestables (avec des statistiques incontestables).

Les ex postes du LMOS ont été au dessous de tout.

J'ai risqué d'être malmené. Il a été sourd pendant des années.

C'est pas facile d'avoir essayé de vous joindre, et même, de vous avérer. Tu le sais bien...

Comme je t'ai écrit à plusieurs reprises, mon travail s'orientait depuis longtemps vers l'analyse, et les conflits comme le DGO m'ont pas souhalé élargir (j'avais essayé de proposer quand Clement a candidaté pour organiser le DGO...).

De toutes manières, mon avenir est dans le privé et la communauté scientifique est un gros boulot...

Amicalement,

Rémy
